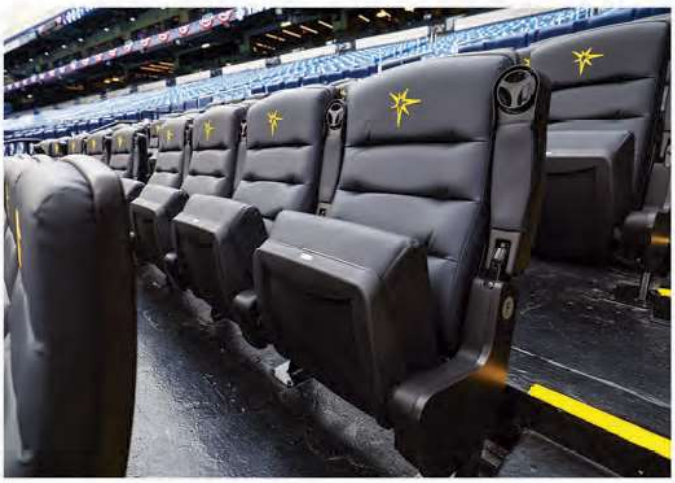
TROPICANA FIELD



The doors of Tropicana Field are open again and nearly every area of the ballpark has been refreshed with new energy and design. The Two Rivers Batter's Box, Baseline Premier, and Chalk Box seating sections all offer views close to the field and in-seat delivery of complimentary food and beverage; a bespoke candy shop was added for DEX Home Plate Club ticket holders who enjoy the closest seats to the batter in the building; the former Party Deck above right field was revitalized as the all-inclusive MaintenX SkyDeck, bringing its popular bleacher seats back and redesigning its common spaces to encourage a social atmosphere; a larger main video board was installed behind right field along with a new sound system throughout the ballpark; and a second ShortStop market place was added to the Budweiser Porch, offering a walk-out, check-out concessions shopping experience, first introduced to fans in 2023.

Together, these enhancements represent more than restoration. They signal a bold investment in the fan experience and a reenergized Tropicana Field, ready to welcome Rays fans under the dome again.

JERSEY PROGRAM

Since 2014, the Rays Jersey Program has outfitted more than 110,000 Tampa Bay area tee-ball players and coaches with jerseys and caps. The program serves leagues in nine area counties and has saved the leagues more than $1 million in equipment costs. As a result of these savings, officials from some participating leagues have noted that they have the ability to pass these savings along to participant families. They have also been able to repair their scoreboards, provide upgrades to dugouts, add fencing for fields, purchase additional equipment and grounds crew supplies, and repair concession stands and other areas of their facilities.

Make it and play it and finish it, on one charge.

READING WITH THE RAYS

Since 2006, the official charity of the Rays has teamed up with Suncoast Credit Union for the summer reading program Reading with the Rays – Read Your Way to the Ballpark. Reading with the Rays encourages kids to avoid summer reading loss by participating in a fun and interactive reading program over the summer months. More than 585,000 Tampa Bay area students have participated since its inception. Participating libraries track their progress and award prizes for reaching certain goals. The program is made possible through a partnership with Suncoast Credit Union, the Rays, and public library systems in Charlotte, Citrus, Hernando, Hillsborough, Osceola, Pasco, Pinellas, Polk, and Sarasota counties.

Owning A HOME Lifts Us All

Homeownership changes lives—and communities. It's linked to better health, stronger schools and safer neighborhoods. Homeowners are more likely to vote, volunteer, and get involved in local causes. And when it comes to building generational wealth, few things are more powerful than owning a home.

DEAR RAYS FANS,

I spent years in professional baseball. I've felt the highs and lows—the pressures, the triumphs, the setbacks, and the successes.

Through it all, the mental and emotional challenges often went unnoticed. I knew there had to be a better way, which is why I founded Champion Forward. Our mission is to help teenage athletes, parents, and coaches learn to process feelings, navigate failure, and manage fame in a healthy way.

By fostering emotional intelligence skills—awareness, balance, and connection—we are building a stronger, more resilient sports community, both on and off the field.

I'd love for you to join me on this journey.

Thank you, Tampa Bay, for all the memories.

Your donations change lives.

At Goodwill-Suncoast, just like the Rays, we have fans. They show up in a big way to donate, shop, and support us—helping thousands of people in our local communities.

Goodwill Industries-Suncoast, Inc.

Every day, we step up to the plate and swing for the fences through our many programs. Our childhood literacy initiative, BookWorks, puts free books into the hands of kids who need them most. We provide affordable housing for seniors on fixed incomes and for people with disabilities. We help women get back on their feet while serving out a sentence, including survivors of human trafficking. And we keep tons of usable items out of the landfill through our stores and sustainability efforts, just to name a few.

But that's not all. We're always in the lineup, helping individuals of all ages and abilities, whether they're just starting out or facing barriers to employment, find meaningful work. Whether it's in our stores, behind the scenes in processing, or out in the community through our Job Connection centers, we believe everyone deserves a chance at bat. After all, helping people find meaningful work has been our walk-off grand slam from the very beginning.
